NCRS Regional**

On April 3-5, 2025, the Carolinas Chapter of the National Corvette Restorers Society (CCNCRS, a 501c3 organization) will hold an NCRS regional judging event in Clemson, SC.

[We need your support!!](#) Both, financially and with goody bag materials.

Support from Corvette enthusiasts is vital in making these events the great times that they are. Contributions received from sponsors will be used to help defray costs such as providing lunch to our members who have volunteered their time to judge the vast array of cars entered and facility rental. The chapter's practice is to donate any excess income to our charities, which are St Jude Children's Hospital, Tunnel to Towers and the Gary Sinise Foundation.

Attached is a listing of the various sponsorship levels and the benefits received at each sponsorship level.

Recognition of all sponsor support is given at various places during the event and in written materials provided to each registrant. A sponsor may provide promotional material that will be inserted in each registrant's goody bag.

If you can't support the event financially, please consider providing materials for the goody bags.

Your support of previous NCRS events is appreciated. We count on your support again by becoming a sponsor for the CCNCRS 2025 Regional in Clemson, SC.
