Rancho Palos Verdes CA

1970 CHEVELLE SS396 CONVERTIBLE

Harry G Park, Jr.
VCCA# 58183
Virginia Beach VA

EACH YEAR, VCCA MEMBERS FROM AROUND the USA and Canada enter their vehicles in judged meets, showing off their pride and joy while competing with other stunning restored or preserved vehicles for top honors. At each judged national event, Best of Shows are selected in the 4 Cylinder Era (1912-28), 6 Cylinder Era (1929-54), 8 Cylinder Era (1955-2000), and Commercial (trucks) categories. Plus, there is a certification category for the Historic Preservation of Original Chevrolet Features (HPOCF) unrestored vehicles in three different year ranges (1912-54, 1955-80, 1981-2000). Invitations are sent to these special winners to vie for the annual Best of the Best

Awards for each category. Then those winners compete for one "Best of the Best Overall" award, VCCA's premier annual honor.

We are pleased to announce this year's Best of the Best Award winners. No entries were received in the Commercial category. All are spectacular examples of the best Chevrolet and GMC have to offer and are true representatives of the amazing achievements that can be made within our beloved hobby. Each Era winner will be featured in an issue of the *G&D* over the next few months. Stay tuned for the stories and photos of these standout cars shown in 2025.
